

Signal · Concept A

Shortlisted and built as a working demo

Homepage concept, desktop. Darren's supplied portrait has been placed into the photo frame. Lettering was drawn by an image generator; the real site uses real text and fonts.

About Signal (Concept A)

Look and feel

Modern and bold. A dark, confident look with large type, a bright cyan intake button and a soft glow behind Darren's photo.

Main colors

	Navy background #090F1C
	Panels #131F31
	Cyan button #67E8F9
	Violet glow #8B5CF6

Type

Manrope (bold modern sans-serif) throughout

Headline

"Your next step starts with a conversation."

Main button

Start your intake

Strengths

- Strongest visual impact of the five directions
- Stands out from typical law-firm websites
- Intake button is the brightest thing on the page

Notes

- The shield icon on the Criminal Defense card was replaced with a briefcase in the built site (the style rules avoid badge-like symbols).

Every option uses the same firm details, menu and intake form, so they can be compared fairly.
