

Darren Drake website: Phase 1 design check

For Darren's approval. Screenshots of the five page types (Home, a practice page, About, Contact and the intake form) at phone, tablet and desktop widths, each beside the approved 1A concept. Nothing is online: these were taken from the site running on the build computer. Taken 2026-09-26 from project version 091c2e3.

Please approve or send changes for:

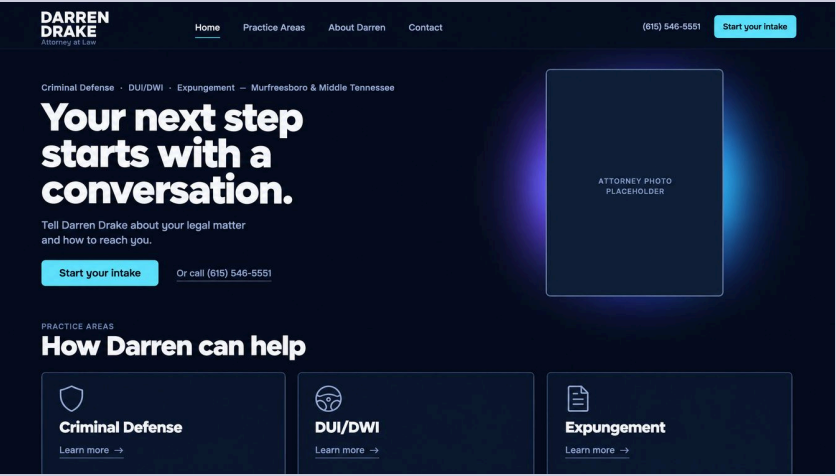

- the look of each page type (pages 2 to 16);
- the headline "Your next step starts with a conversation." and the supporting line "Tell Darren Drake about your legal matter and how to reach you.";
- the link-preview image, which appears when someone shares the site in a text, email or social post (below);
- the About-page photo shape (D3): these screenshots use the recommended upright crop, from the unedited middle of the photo.

Photo: the edited portrait was approved for all uses on 24 Sep 2026 (D2). A signed photo note is still recommended.

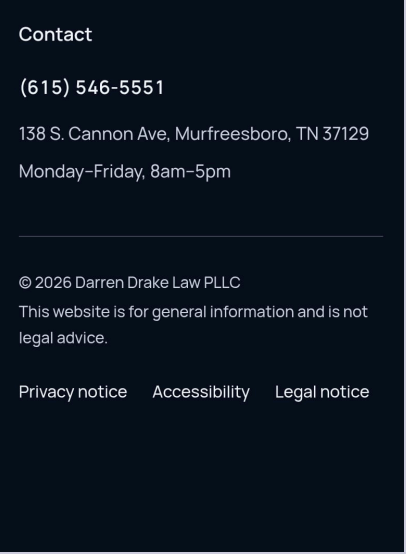

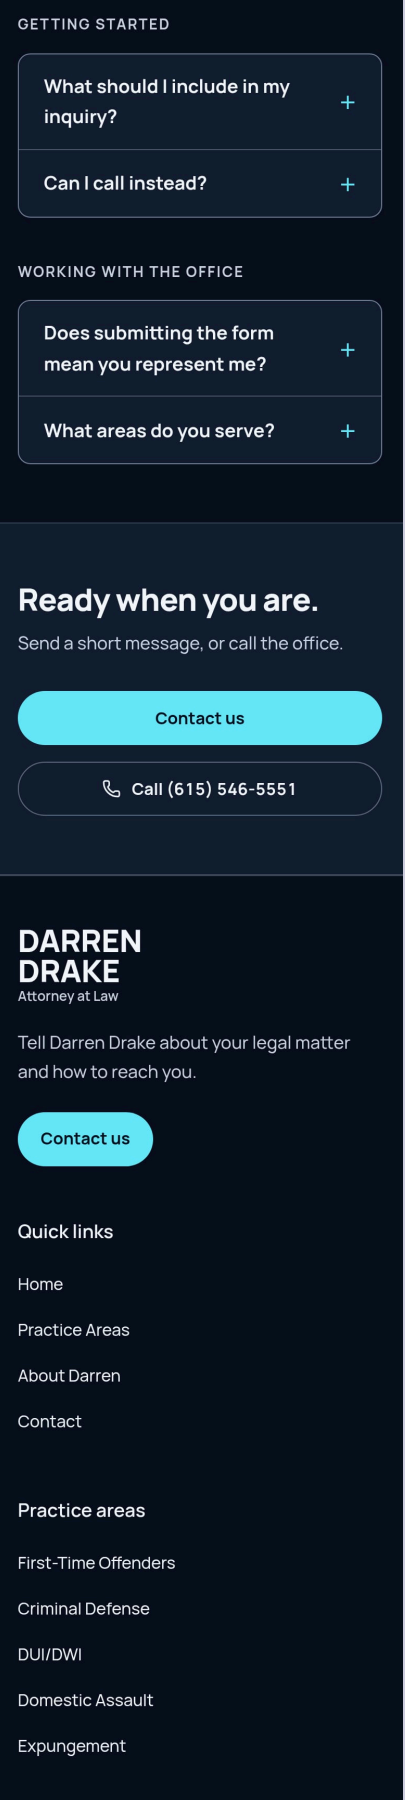

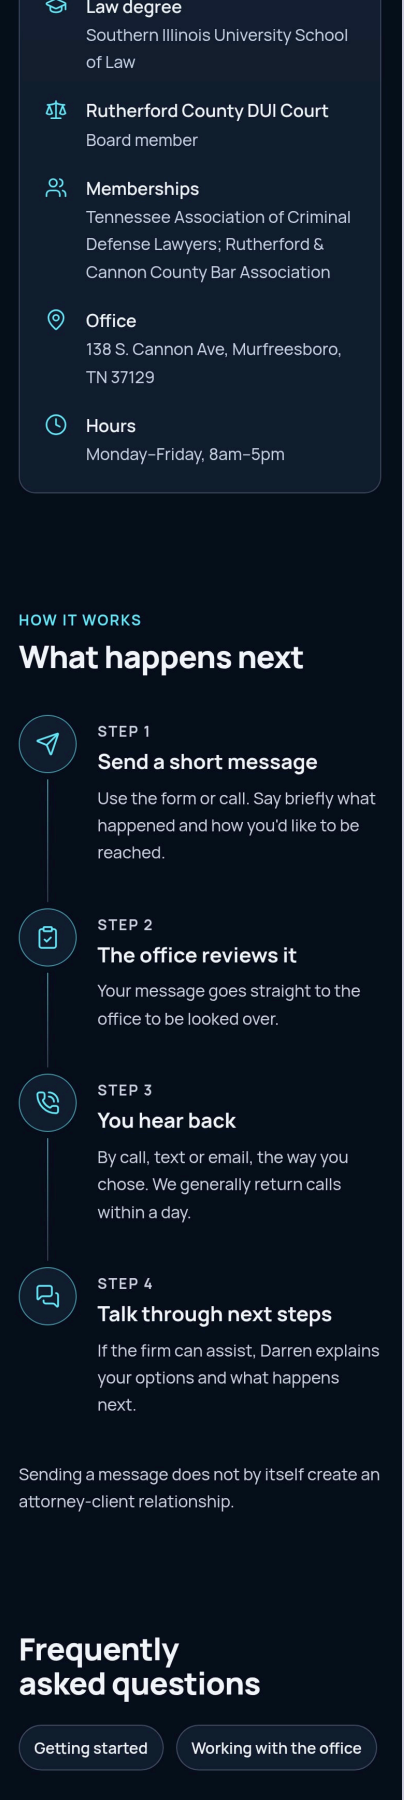

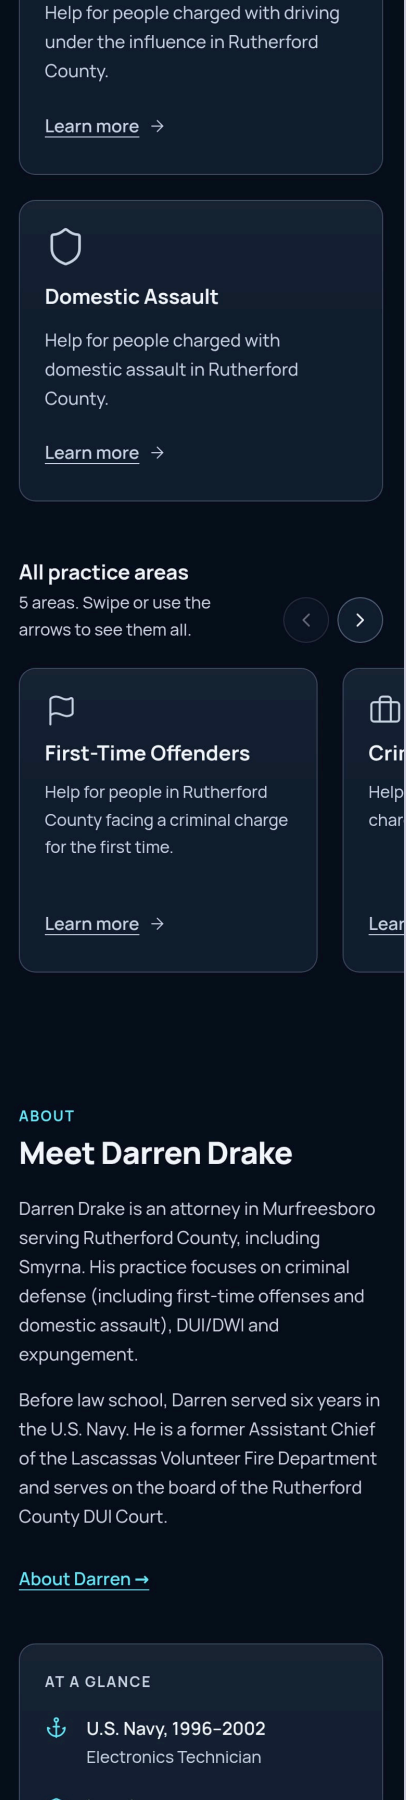

One change from the plan: the plan's link-preview text says "Murfreesboro & Middle Tennessee". Darren confirmed Rutherford County cases only, so the image says "Murfreesboro, Rutherford County & Smyrna". Tell us if Darren prefers the plan's wording.

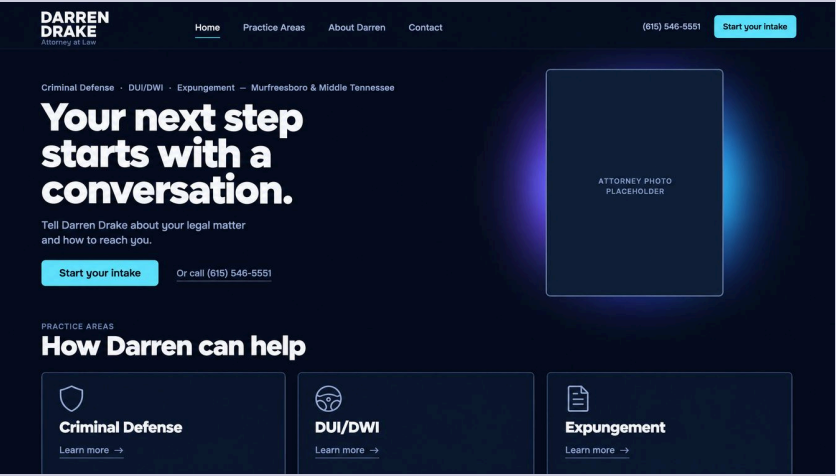

Left: the card for the home page and every other page. Right: a practice page's card (its practice area is highlighted). Square previews show only the centre, which keeps Darren's face.

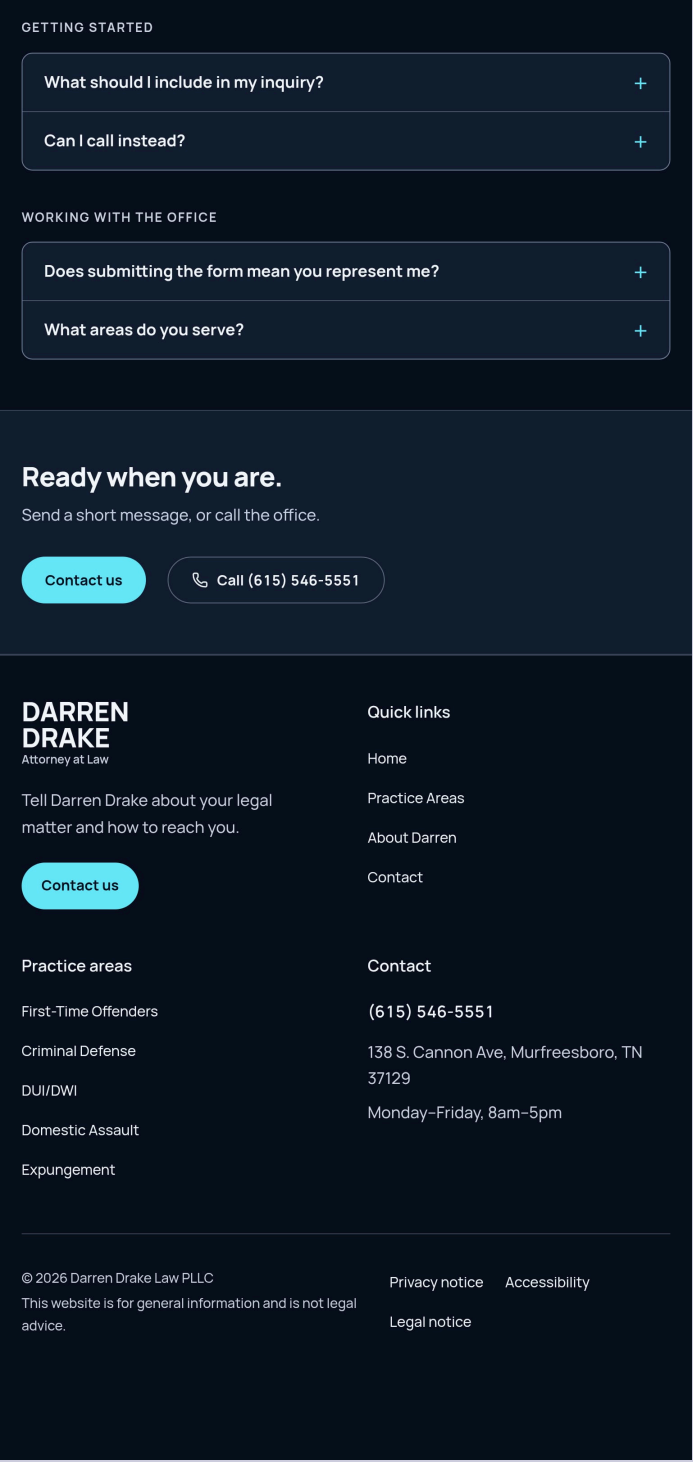

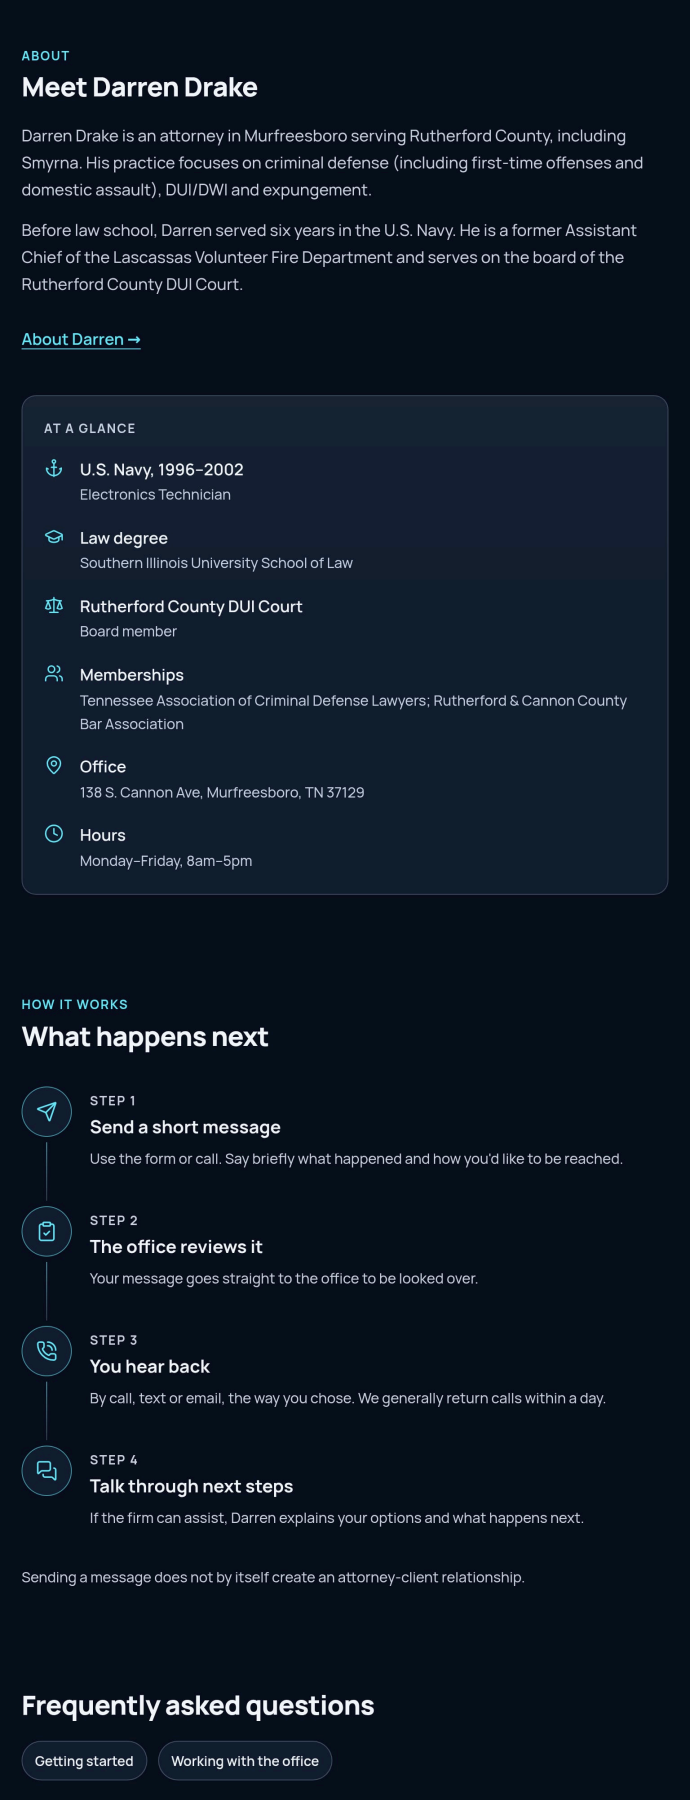

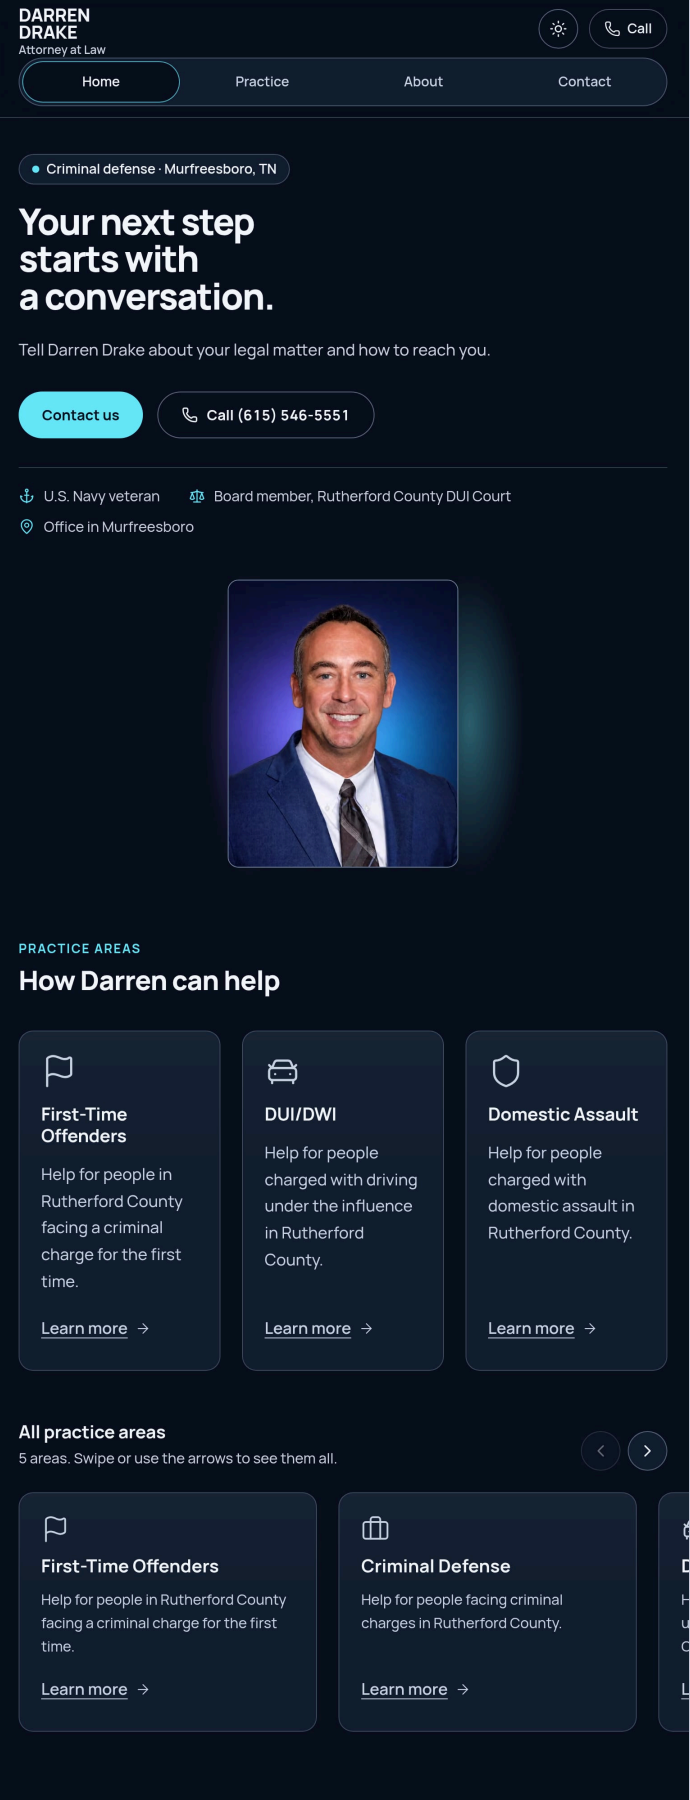

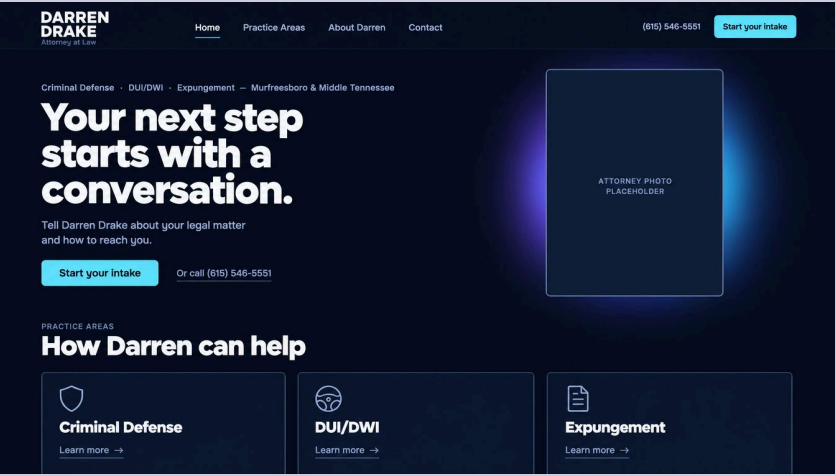

Approved concept 1A (brand-concepts/01-signal.png). It was drawn for a desktop home page only, so on other pages and sizes it is the style to match, not a layout to copy. Its "Start your intake" button and "Middle Tennessee" line were replaced by the approved "Contact us" and the confirmed service area.
